

MISPERCEPTION IT'S HARD TO TRACK AND MEASURE RADIO'S LOCAL RESULTS.

Radio delivers results for advertisers – from Fortune 500 companies to Main Street retailers. With over 15,000* local radio stations across the country, radio provides measurable outcomes for advertisers in all markets.

Radio's advertising impact can be measured both online and offline. According to a Nielsen 2018 study, listeners who heard a radio ad three or more times took significant action as compared to those that hadn't heard the radio ad:

STORE VISITS WERE
20% HIGHER.

WEBSITE VISITS WERE
75% HIGHER.

40% INCREASE IN A
DESIRE FOR ADDITIONAL
INFORMATION ABOUT
THE PRODUCT.

RADIO WORKS

Regardless of the retail category, radio can be attributed for driving traffic to brick and mortar locations. In an analysis of a broad range of retail brands across 4 ad categories, radio drove a 22% lift in store traffic.

32%[↑] 
AUTOMOTIVE 32% LIFT.

7%[↑] 
HOME IMPROVEMENT LOCATIONS 7% LIFT.

32%[↑] 
QUICK SERVE RESTAURANTS 23% LIFT.

32%[↑] 
BEAUTY RETAILER 32% LIFT.

LOCAL ADVERTISERS BELIEVE IN THE POWER OF RADIO

- *"Radio is the most important thing we use on the media side because it touches so many people."*
Ed Wehmer, Founder, President & CEO, Wintrust Financial Corp.
- *"It's personal, it's daily & we can tell our story in an evolving way on radio. That's hard to do in other media."*
Diana Sikes, Senior Vice President, Art Van Furniture
- *"We can target different demographics, change the message. It's a tremendous, flexible medium."*
Roy Spencer, President & Owner, PermaSeal Basement Systems
- *"Radio is the core of our influencer strategy."*
John Alfirevich, Dealer Operator of Apple Chevrolet and President of the Chicagoland and Northwest Indiana Chevy Dealers Association
- *"About 13 percent of our total advertising budget is dedicated to radio. People come in mentioning the station's call letters. We feel it has been a good return-on-investment."*
Tammy Oreskovic-Geraci, Peter & Co. Jewelers
